

OPEN WATER PART II

The Open Water course is divided into two parts. PART I involves a series of classroom and pool training sessions. PART II is the application of learned skills during four open water certification dives commonly performed over one weekend. You also have the opportunity to complete your dives on one of our guided dive trips to the Caribbean or during your own vacation.

EQUIPMENT REQUIRED/PROVIDED:

Students need to provide their own mask, snorkel, boots and fins. Student is responsible for lodging, meals, transportation and entrance fees if applicable. THE DIVE SHOP will provide all scuba gear to include 2 tanks, regulator w/ alternate air source, buoyancy compensator device (BCD), pressure and depth gauge with compass, weight belt, weights, 7mm wetsuit, hood, gloves, certification card and a full support staff. Each student will receive a 15% discount when purchasing their BCD, regulator and dive computer package.

ADDITIONAL INFORMATION:

THE DIVE SHOP performs certification dives at Dutch Springs (www.dutchsprings.com) in Bethlehem, PA. The four (4) open water dives required for certification are scheduled between May and October of each year. This will be an experience you will never forget. THE DIVE SHOP also offers warm water travel destinations to achieve your certification and /or expand your diving knowledge and career.

Once certified we invite you to join THE DIVE SHOP Dive Club which offers new divers the opportunity to enjoy diving in New England with experienced and seasoned divers. The club meets every third Tuesday of the month at Mario's Pasta Garden located just south of Costco on Federal Road in Brookfield.

CERTIFICATION FEE:
